## US CURRENCY CONSPIRACY?

1. Is it possible that a conspiracy was in place by 1929/35 which materialized in 2001? Who would be involved? Who would orchestrate? (2Cor 4:4) Who would be the helpers to carry out the plan? (2Cor 11:15; Eph 6:12)
2. What about actual men? (1Jn 4:1-3) Compare with (1Cor 12:3).  
What then are two critical doctrines of Jesus Christ? (1Tim 3:16; Jn 1:14; Jn 16:13)  
Does this emphasize the significance of this counterfeit? (Jn 13:27; Rev 17:8-11; 2Thes 2:3)
3. (Rom 8:9-16) The spirit of antichrist is actually an imitation/mockery of the Holy Spirit, which leads believers.
4. (Acts 13:2) The Holy Ghost can separate / select particular men.  
**What was the process why which he did this? Who was he talking to? And how did they know what they heard?**  
(1Sam 16:14-15) Evil spirits can select certain men, if permission is given.
5. (Acts 16:6-7) The Holy Ghost can control the direction of men. **How did He do it here?**  
Powers of darkness can also control many men with supernatural physical strength (Acts 19:13-17).  
By affecting situations, circumstances, health, & even life/death (Job 1-2).  
(1Kings 22:20-23) A Lying spirit may even be allowed to influence & direct the conclusions of "men of God."
6. (Acts 20:28; Rom 13:1) The Holy Ghost puts people into places of leadership.  
(Rev 13:11-12) Satan's counterfeit is to not only put "his man" into leadership, but also the place of worship.
7. When it comes to long-term gradual conspiracy, Satan has a distinct advantage over men (Ps 90:10; Job 1:7, 2:2; 1Pet 5:8).

### Back to the Topic of the Currency/Money – Money & Worldly Wealth is a Peculiar Biblical Topic in and of Itself.

- a. 13's in the US One Dollar Bill (*future topic TBD*)
- b. (Mt 22:21) ... Render therefore unto Caesar...
- c. (1Tim 6:7-10) The Love of Money (9) lusts (10) Covetousness  
(Rom 7:7-11) Covet>Lust > Sin>Death (James 1:15) LSD  
(Luke 12:16-18) Just like the LSD drug: How much is enough? Just a little bit more
- d. (Matt 6:24) Worldly wealth is undoubtedly a snare involving service & ultimately worship.  
It undoubtedly has the potential to give man "peace-of-mind" or cause stress. It is linked to self-control or gluttony...etc.
- e. (Matt 17:24-27) Use it like Christ, as a means (tool) not an End (idol to worship).
- f. **Is it not surprising then that the currency of the world would bear the marks of satanic influence?**  
**How does this practically affect you wrt: The reality of spiritual wickedness in high places? The Topic of Money?**
